The Householder

Dear Householder

Garden Waste Service – Collection of Unwanted Bins

As you will be aware, the garden waste service is now an opt-in, chargeable service, at a cost of £42 per bin per year.

According to our records you have not yet subscribed to the service. If you wish to subscribe you can still do this online:

www.westnorthants.gov.uk/gardenwaste or by calling 0300 126 7000.

If you do not wish to subscribe, we will be collecting the garden waste bins which are no longer required. For households in your area we will be collecting the bins over the **weekend of 9 and 10 July 2022**.

Please leave the bin out by **9am on Saturday 9 July** and it will be collected by the end of Sunday 10 July at 5pm.

The bin must be empty. If you have placed any waste in there please remove it to allow the bin to be collected. Please note that the bin is the property of the council and will be reused for other residents. It is not possible for you to keep the bin.

Yours faithfully,

Garden Waste Service
West Northamptonshire Council.
