Subject: A508 Weekend Closure

To whom it may concern:

On the evening of Friday 19th August at 21:00 to Monday 22nd August 06:00 works will be carried out on the A508 between Courteenhall Road and M1 Junction 15 requiring a full weekend closure.

These works are required to deliver the traffic switch on to the new alignment of the A508.

Works will be carried out in agreement with National Highways and Northamptonshire County Council.

These works must be carried out under a closure for safety reasons and due to the nature of the works.

We will be carrying out surfacing works and permanent road markings during this weekend.

Our supply chain will access the site from either M1 Junction 15 or A508 Northampton Road (from Road) following the diversion route provided and any construction traffic will have permission to gain access through the closure under a permit system.

Please see the diversion route that will be in place overleaf.

If you have any concerns or questions about the works, please contact:

Email: NGW-Enquiries@winvic.co.uk

Mobile: 07809 216776

Yours sincerely

Steve Young – Project Manager
