REPORT TO BLISWORTH PARISH COUNCIL JULY 2015 -

We are pleased to see the progress of the project to improve the entrance to the Old Cemetery. This will ensure that everyone has a safe access to the area, including those in wheelchairs, mobility scooters and pushchairs. It will also be good to see the gates restored to their former glory.

The planters donated by Youngs in the High Street are looking very good. Our thanks to Valerie Hayward who donated and installed the plants. Thanks also to Christine Pinfold for taking on the watering.

Also we have to thank Matt Gamble of GLN Landscapes who has done a fabulous job planting the four large planters at both ends of the village.

The Group now have a Constitution and once all the members have signed it, a copy will be forwarded to the Parish Council.

We have started looking at the requirements for the revision of the Parish Plan in 2016.
